C. Lewis Says Wife Is in Better Shape Than Ever Before After Taking MENDOL.

Winks More of MENDOL Than Anything Ever Tried, He Says.

Of the many strong testimonials that are being received daily, testimony as to the wonderful beneficial effects of MENDOL is the state made a few days ago to one of the clerks in the Live & Let Live store in Chattanooga by R. C. Lewis, a respected citizen of North Chattanooga, Tenn. Mr. Lewis comments upon the curative value of MENDOL as follows:

"My wife was sick for six months. She was troubled with smothering attacks due to indigestion and gas in the stomach. She was continually threatened with constipation and had numerous fainting spells during each day. At night she was troubled with violent choking spells and was very nervous. We tried two doctors, but after of them seemed to be able to do much for her. We had heard so much of MENDOL that we finally decided to try it and immediately found that MENDOL gave her more relief than anything she had ever tried. Just think, she has only taken one bottle of MENDOL and she is in better shape than she has ever been before. In fact she is in perfect shape every respect. She has gained ten pounds upon this one bottle. We think more of MENDOL than anything we have ever tried."

An Oriental physician spent many years in compounding this wonderful medicine and has been rewarded by expressions of gratitude from thousands of people who have benefited by its use. Just one bottle will convince the most skeptical of its merits. MENDOL is sold by all leading druggists. MENDOL is manufactured by Mendol Laboratory, Rossville, Ga. (Adv.)

BRINGS \$3,700 A FRONT FOOT

Schwartz and Schumaker Pay \$92,500 for Market Street Site.

A new record in Market street values was made Friday afternoon when a deal was consummated whereby Sam Schwartz and D. A. Schumaker, of Schwartz Bros., purchased the property at 314 Market street from the Harriet B. Richmond estate for a consideration of \$92,500. The lot has a frontage of twenty-five feet on Market street and extends through 243 feet to Cherry street. There is a building of two stories on Market street and one story on Cherry. It is occupied by the Grand Billiard parlor.

The building is leased for nearly three years longer and plans for the future have not been announced. The sale set a new standard for Market street property, bringing \$3,700 a front foot. A Market street corner lot was recently sold at the rate of \$4,500 per front foot, but was occupied by an improved office building. The price is said to indicate the increasing value of Market street property and prosperity of merchants.

Pleads Guilty of Sending Bomb to Mrs. Wamaker

New York, Dec. 5.—Ernest Albert Gustav Kurth, who sent a bomb to Mrs. Rodman Wamaker, pleaded guilty yesterday to assault. He will be sentenced Dec. 11, the maximum penalty being five years' imprisonment. He had been employed in the Wamaker home, but was discharged for giving false parties.

Representative of the district attorney's office told Judge Wadhams he believed Kurth intended merely to injure Mrs. Wamaker and not to kill her. The bomb failed to explode.

Seeks to Compel Lansing To Cancel Dry Proclamation

Washington, Dec. 5.—A writ of mandamus against Secretary of State Lansing requiring him to cancel the proclamation for national prohibition was filed in the supreme court by Robert A. Weisman, of Stony Point, N. Y. The plaintiff alleges that the proclamation was issued before all of the states had ratified the amendment to the Constitution by a referendum. It is believed the action of the voters in Ohio in overruling the action of the legislature is the basis for the suit.

START TOMORROW AND KEEP IT UP EVERY MORNING

Get into the habit of drinking a glass of hot-water before breakfast.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles according to hot water enthusiasts.

There are vast numbers of men and women who, immediately upon rising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick results is poisons and toxins which are then absorbed into the blood, causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and bad the next, who who simply can't get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation. (Adv.)

ART FURBER'S LATEST "VAUDEVILLIAN" DECLINES A NEW PLAY

(By I. K. Friedman.)
"Last week," said Art Furber, vaudeville, "I met Bob Hinkley, the poet, who claims he has the story of my grant act, 'April Blossoms.' This is a lie!
